

WORLD GREEN GROWTH SUMMIT

AGENDA TABLE

Wednesday, 28 October					
9:00 - 10:30	Opening Ceremony				
10:30 - 10:40	Intermission				
10:40 - 12:00	Ministerial Panel				
12:15 - 12:45	Energy	EcoWaste	Smart Cities	Water	Youth
	Renewable Energy and Energy Efficiency: The Transition Challenges in the Arab States	Gas - Important For Clear Energy Transition Worldwide	A Green Economy for All	Investment Opportunities with Green Finance	Entrepreneurship: Innovative Ideas for Social Impact
12:45 - 13:00	Intermission				
13:00 - 13:15	How Can the Green Economy Improve the Health of Our Planet After the Disruption of Covid-19	Waste Management Solutions	The Role of the Real State Industry in the Green Economy	The Legal Framework for Green Economy	Intermission
13:15 - 13:30					Young People's Role in Fostering Sustainable Development
13:30 - 14:00	Networking Session				
14:00 - 14:30	Networking Session				
14:30 - 15:45	Lunch Break				
15:45 - 16:15	Towards a Gender Transformative Climate-Resilient Recovery: CARE'S Perspective	Sustainable and Optimal Use of Biomass as Renewable Energy Source	Green Economy and Entrepreneurship	Networking Session	
16:15 - 16:20	Intermission			Intermission	
16:20 - 16:30	Intermission		Intermission		
16:30 - 17:00	Empower Women in the Renewable Energy Industry	Arizona's Future in Energy	Access to Climate Finance	Human Rights and Climate Action	
17:00 - 17:20			Intermission		Intermission

Thursday, 29 October					
	Energy	EcoWaste	Smart Cities	Water	Youth
9:15 - 9:45	Renewable Energy for All Through a Just Transition	Golden Rules for Establishing an Effective Alternative Fuel Program	Advancing Sustainable Cities: Renewables as the Key to the Climate, Energy, and Mobility Transition	Action for Adaptation - How We Manage Water for Climate Change Resilience	Shaping Our Future Together: Working on Today's Issues for a Better Future
9:45 - 10:00	Intermission				
10:00 - 10:15	Jordanian Experience of Efforts in Moving Towards Green Growth, Green Growth National Action Plan - GGNAP	Inadequacies in Healthcare Delivery: Global Perspective on Access to Safe Healthcare	Redesign the Economic System to Deliver Well-Being for People and Planet	The Importance of Dams in Preserving Water Wealth	Intermission
10:15 - 10:30					Networking Session: Youth Online Gathering - Partnerships for the Future
10:30 - 10:45	Intermission				
10:45 - 11:00	Environmental Policy & Sustainable Energy	Key Challenges in Waste Management Quality Control	Challenges and Barriers for Fast Decarbonisation of the Energy Sector in Central Europe	Crypto Currency in the Renewable Energy Industry	
11:00 - 11:15					
11:15 - 12:00	Networking Session				
12:00 - 12:30	Lunch Break				
12:30 - 1:00	Civil Society Transition European Union Climate Policy Intervention	Fundamentals of Solid Waste Samplings and Analysis	Information & Development of Smart Cities	The Role of Cannabis in the Green Economy	
13:00 - 13:15	Intermission				
13:15 - 13:45	How to Scale the Global Solar Energy Workforce with the Urgency Needed to Address Climate Change	Re-Thinking Mining Waste Through an Integrative Approach Led By Circular Economy Aspirations	Advancing the Development of Smart Cities		
13:45 - 14:00	Intermission		Intermission		
14:00 - 14:30	Energy Distribution & Sustainable Ecosystems	Co-Benefits of Waste Recycling for Local Communities Sustainable Waste Management			
14:30 - 14:45	Intermission		Intermission		
14:45 - 15:15	Cooperation for Clean Energy	The Need to Collect Biowaste for Climate Protection as Soil Improvers and Renewable Energy	Chambers of Commerce as Key Partners for Renewable Energy		
15:30 - 16:00	Closing Ceremony
